BEERMASTER 110 Ale

Malt & Hop

American Pale Ale

All ingenious is simple! MALT and HOP are two main natural ingredients. While studying our historical brewing recipes, we have created this beer to mark the 110th founding anniversary of our brewery, founded by a German brewer (1906).

Alc. 4.2 % | 20 IBU | Extr. 11.0 %

GOLDBEER

Lager

The best quality malt and hops, combined according to an old recipe, have turned into a lager beer that knows no limits. Goldbeer has a simple and balanced taste with delicate bitterness. The aroma of beer will surely bring back memories! It goes very well with fatty food, pizza and sausages.

Malt: Blond Malt; Hops: Saaz

Alc. 4.5 % | 21 IBU

BEERMASTER OAKED ALE

Wood-Aged Ale

This is an aggressive beer. You probably won't like it. It is quite doubtful that you have the taste or sophistication to be able to appreciate an ale of this quality and depth. BEERMASTER Oaked Ale is deep, full and rich yet smooth and mellow. It has a wonderful oaky flavour and aroma, as the name suggests. A truly excellent beer that is set to impress.

Alc. 5.0 % | 30 IBU

BEERMASTER REX'S GOLDEN

Buckwheat Lager

Rex is the name of the family dog. As brewer's best friend, he came with him to work almost every day and was a steadfast companion for all his creative ideas and challenges. Rex's Golden Lager has all the characteristics of its namesake; friendly, golden, and a little nutty. MALT: Buckwheat malt, Pilsner; HOPS: Saaz, Tettnanger.

Alc. 4.2 % | 26 IBU

HARAP ALB

Blanche Beer

Light wheat beer with an extremely light character. Fresh aroma with notes of ripe fruit. In the taste, the velvety wheat malt is overlaid with a subtle hop bitterness. The aftertaste is soft, delicate, sweet. Spicy coriander and citrus peel give the beer a refined, elegant, refreshing spring bouquet.

HOPS: Saaz, Tettnang; MALT: Pilsner, Wheat Malt; OTHERS – Coriander, Orange Peel

Alc. 4.5 % | 22 IBU

BEERMASTER LIBERTY ALE

American Pale Ale

Timed to coincide with the celebration of the 26th anniversary of the independence of our country. In the production of this ale, we have successfully combined 3 types of malt and 1 variety of hops. Each of these ingredients gives the beer a distinct taste and unique aroma, and together this composition gives the beer a complex yet original character.

Alc. 4.3 % | Extr. 11.5 %

BEERMASTER CHERRY BOCK

Bock Beer

BEERMASTER Cherry Bock is a cherry bock brewed with Munich, Chocolate and Pilsen malt. Fermented with cherries, that offers a strong sweet taste and rich aroma, revealing only a hint of Ahtanum hops.

Alc. 7.0 % | 25 IBU

BEERMASTER BLACK CAT

Stout

A smooth and creamy dark ale full of deep roasted malt character, yet nimble on the palate. Chocolate and coffee notes are balanced with a sly hop bitterness. Forget your superstitions and cross paths with this black cat more than once.

HOPS: Willamette, Cascade; MALT: Pale, Munich, Crystal, Chocolate.

Alc. 5.5 % | 28 IBU

CARU' CU MERE *Cider*

The Caru' cu Mere cider is brewed from natural Moldovan apples. It is made according to the unique author's recipe and has a really soft and balanced taste with a bouquet of fruity notes in the after-taste. In the summer, it quenches thirst well and refreshes, and in the winter it reminds of warm days and, to a certain extent, helps to strengthen the immune system.

BEERMASTER DARK LAGER

Dunkel (Dark Lager)

In Bavaria, they are known as “dark” (dunkel), in Thuringia they call them “black” (schwartz). The soft lager with hints of roastiness. The dark malts come across more as chocolate and caramel.

It has wonderful balance and strong dunkel character.

Alc. 4.9 % | Extr. 11.5 %

BEERMASTER SAISON

Farmhouse Ale

Concerning the recipe of this beer’s preparation, there are no rules except for some principle intended to create this farming beer. In French it would sound like that: «Je ne sais quoi», that means “I don’t know what”.

Alc. 5.5 % | 17 IBU

BEERMASTER RED CHERRY ALE

Fruits Beer

Red Cherry Ale is a fruit beer with an addition of natural cherry fruits. We have used only whole fruit and we have used a lot of them in brewing: 200 gr of fresh cherries per 1 liter of beer.

Red Cherry Ale has a refreshing sweetness, fruity bouquet, subtle acidity that comes with aroma of wild cherries and cherry pits..

BEERMASTER DOLCE AMARO *India Pale Ale*

Dolce Amaro is an IPA with a sweet and bitter taste full of contrasts, intense and seductive. It is a versatile beer in which you always find something new, strong but elegant. The malt for the "pale ale" type beer gives the beer a sweet taste and a brilliant golden color. Loads of hops added to the boil gave the beer a fresh note of bitter marmalade and herbal aroma of tropical and citrus fruits.

Hops: Columbus, Sabro, Amarillo;
Malt: Extra Pale Ale;

BEERMASTER NEIPA *New England Ipa*

Important characteristic and hallmark of this variety is its high haze due to lack of filtration. Oats and oat malt are used to stabilize the beer haze. The beer keeps the body light and drinkable but provides a floral, earthy backbone. Pillowy soft mouthfeel, with a restrained bitterness on the finish makes New England IPA a special product.

HOPS: Mosaic, Citra;
MALT: Pale, Munich, Oat malt

Alc. 7.0 % | 22 IBU

BEERMASTER DOUBLE IPA *India Pale Ale*

BEERMASTER Innovation Brewery Double IPA (DIPA) – contains twice more hops than the classic IPA. It has a strong hoppy character and intensity, for which it's named "Hop bomb". DIPA beer belongs to the bitter varieties and has a pronounced dense hoppy taste. The bouquet is dominated by citrus, fruit, pine notes, explosive hop aromatics and caramel aftertaste.

Alc. 6.0 % | 45 IBU

BEERMASTER RED STAR
